kgee@belgradechamber.org. Call 406-388-1616 with any questions.

OUTSTANDING FARMER/RANCHER OF THE YEAR:

A farmer or rancher who has made a difference to the agriculture community of Gallatin Valley through their hard work and dedication. This person has progressed their agriculture career throughout their years of operation. They are stewards of the environment, operating efficiently and effectively while balancing conservation on their land. This person demonstrates strong leadership qualities and is admired for their farm/ranch management skills and financial practices. They adopt modern agriculture technology and are at the forefront of their industry. This person is involved in the community and contributes their time and resources to its betterment.

SERVICE TO AGRICULTURE:

An individual or business owner who has selflessly devoted their time and talents to the advancement and development of the agricultural industry of the Gallatin Valley. This person has made outstanding contributions of public service to the community. They have demonstrated leadership as an industry advocate and have promoted agricultural education, programs, and other activities. This person is well respected in the community and their accomplishments impact many.
